Dear Ms. De Loach:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report is concerning an incident that occurred at Courtyard of Natchitoches. It alleges that on or about April 26, 2017, you failed to enter a resident's room during your shift from 4:45 pm to 10:10 pm. You falsified records, stating on the MAR that you had administered the resident's feedings and performed 2 flushes to the tubing as ordered. When questioned, you admitted to not feeding the resident.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

ORDER

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Elizabeth De Loach**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
