Dear Ms. Uherek:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report alleges that on or about July 18, 2018, while employed at Northeast Louisiana Veterans Home, you were observed adding water to a bottle of Diazepam, during narcotic count with another nurse, in an effort to make the count correct. You also told a new nurse "This is what we do around here when the count is off".

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The Board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

ORDER

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Tammy Uherek**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
