Dear Ms. Fultz:

The Louisiana State Board of Practical Nurse Examiners has received a report regarding your practice as a licensed practical nurse. The report alleges that on or about August 15, 2018 you were impaired on duty while employed at Whispering Pines Community Care Center. It was also reported that you tested positive for methamphetamines and you admitted to using methamphetamines.

Louisiana Revised Statutes, 49:961 (C), in pertinent part, provides: "If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to the effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action." LSA-R.S. 49:961(C).

The Board has determined that the allegations against you are sufficiently serious to **summarily suspend your LPN license**, in accordance with the above cited authority, and hereby, issues the following Order:

**ORDER**

IT IS HEREBY ORDERED, that based on the information and/or record(s) obtained by the Louisiana State Board of Practical Nurse Examiners, and a finding "that public health, safety, or welfare imperatively requires emergency action", in accordance with LSA-R.S. 49:961(C), the LPN license of the above named respondent, **Bonny Fultz**, is hereby summarily suspended, pending proceedings for revocation or other action, in accordance with Louisiana law.
